TANDEM SKYDIVE

A tandem skydive is the most popular and frequently chosen type of jump by novice and first time thrill-seekers – you don't need any previous experience at all to do this jump!

For this particular skydive you'll be attached to a fully qualified instructor who controls your jump from start to finish; they will do all the hard work for you, allowing you to catch your breath and enjoy the ride!

Before the skydive begins your instructor will provide you with a training session, show you all the equipment that is used and talk you through what's going to happen, allowing you to feel comfortable and at ease with your upcoming adventure.

After the training session is over you'll prepare to fly up to over 2 and half miles above the ground with 4-6 like-minded tandem skydivers - this is where your adventure really starts to get real!

Once you're at the correct altitude, your instructor will let you know it's time to move over to the exit door of the plane...

ALL THAT'S LEFT TO DO NOW IS TAKE THE LEAP!

Your exhilarating free-fall will give you a feeling like no other as you descend (at 120 mph!) before your instructor deploys your parachute, giving you the chance to really settle into your skydive. From here you will experience a peaceful canopy ride as you slowly glide back down to earth to meet your supporters with a smile on your face, before picking up your well-deserved certificate, happy in the knowledge you have completed your Summer Solstice skydive!

This will be an experience you never forget but if you wanted to capture your incredible moment then you can hire a cameraman to document your amazing day with a video and photographs.

TANDEM SKYDIVE

The following sponsorship system makes it easy for you to take part and ensures that you do not have to pay all of your sponsorship money in advance. At all airfields your jump and training costs must be covered on the day, this can be with cash or card unless you have an online donation page which you have informed us of. Your money to charity is not due until four weeks after you have completed your jump but if you have raised funds offline you will be asked to provide a post-dated cheque at the airfield. Remember, as long as you raise the minimum sponsorship level for your jump (£450 for airfields in Scotland and Northern Ireland), you can recover both the cost of the booking deposit and the jump from your sponsorship money - which means you get to jump for FREE!

Payment for your jump will be required on the day which varies from airfield to airfield but is generally between £170 - £230. You must also provide the remaining sponsorship money due to the charity but this can be post-dated by up to four weeks. This post-dated method of payment makes it as easy as possible for you, allowing you plenty of time to collect your sponsorship money after the jump before it is due to the charity. Precise instructions on how to operate the above system (including how much to pay your local airfield on the day and how much sponsorship money is due to the charity) will be sent to you upon receipt of your reservation form and booking deposit.

Booking Terms and Conditions

1. If you are jumping for a charity and wish to recover reimbursement of the cost of the training and the jump, you must raise the minimum sponsorship money appropriate for your chosen jump as detailed on the 'Free charity jumps' page on this website. If you also wish to recover reimbursement of the deposit you must raise this portion of your sponsorship offline – deposits cannot be recovered from funds raised online.
If you are purchasing the jump for yourself the cost for the training and the jump must be paid on the day of the training and this payment is totally non-refundable even if you do not jump for any reason.
2. If you are buying a Gift Voucher the full cost of the jump must be prepaid as indicated on the Book Online form. 'Open dated' gift vouchers may be redeemed at any time within this twelve month period.
4. Should the weather be unsuitable for jumping on the day it will be up to the jumper to return to the parachute centre on another occasion(s) if necessary to complete their jump.
5. A fee of £50 will be charged for all cancellations or changes of jump date. A fee of £100 will be charged for any cancellations or date changes within 48 hours of the booked date. Accordingly, no representations or warranties of any kind are made by Skyline Promotions Ltd as to the

suitability, capability, quality of training or operation of any parachute centre. Any queries or complaints with regards to these aspects should be referred to the parachute centre concerned.

Insurance

On payment to the parachute centre of the fee for the training and the jump, all jumpers are covered by the British Parachute Association Liability Insurance Policy up to £2 million for liability to Third Parties. Please note that this does not cover the jumper or their dependants for personal injury including death.
